

For Girls & Guiders

OUTDOOR ACTIVITY LEADERSHIP PROGRAM

GUIDE CAMP SKILLS DAY

For 1st & 2nd year Guides & their Guiders

Save the Date!

SATURDAY APRIL 25

This all-day outdoor training is targeted towards *first-year* Guide-age girls and is an annual favourite!

Guiders and girls will rotate through a ‘hands-on’ round robin of training opportunities that will cover camp cooking with yummy tasters (*always a hit with both girls & leaders!*), shelters, tents, stoves & lanterns as well as fire lighting!

You will want these skills so that you can try them out at your Spring tenting camp!

This is a fun full-day spent in the outdoors *and for many...*this will be their first experience!

An important part of camp skills training is learning how to stay warm and dry...no matter what the weather! *Before attending Guide Camp Skills Day*, we will help you ‘prepare’ yourself and the girls *for a day outdoors* through a series of preparatory emails or ‘baby steps’.

Guiders must provide supervision (minimum *and* ratio) throughout the activity and have a First Aider (*please see the First Aid page for training dates*).

Come to participate and learn with the girls!

There is a \$10 fee per girl for this training (no fee for Guiders providing ratio/minimum)

Details and Registration deadlines will be sent to District Commissioners for distribution to their Guide Guiders in early February 2020. Stay tuned!
